# Christian Home Educators of Ohio

# of Ohio

## Who We Are:

Since 1983, CHEO has served as the state homeschool organization for Ohio and has remained committed to our mission “to preserve the God-given, constitutional right to home educate, and to support and encourage families in fulfilling this biblical responsibility”.

CHEO offers a variety of programs and events throughout the year that seek to encourage, train and equip families on their homeschool journey. Our legislative liaison, Melanie Elsey, has been on staff for over 30 years and regularly attends meetings in Columbus to stay informed of any changing legislation that could affect home educators. CHEO also offers a year-round office staff who remains available to help with any issues you may encounter during your school year.

### Our Mission Statement:

*“CHEO acknowledges that the Lord Jesus Christ must be central and supreme in the rearing of our children, and that biblical education is an inseparable part of the Christian faith.*

*CHEO seeks to preserve the God-given, constitutional right to home educate, and to support and encourage families in fulfilling this biblical responsibility.”*

## Disclaimer:
